

I recently received correspondence from you in my Washington, DC office. While I appreciate you taking the time to share your opinions about the issues important to you, my first obligation is to provide the best possible service to my Indiana constituents. Due to limited staff resources, I could not respond to my fellow Hoosiers with the quality information they deserve if I also took the time to respond to people from other states.

Therefore, I have forwarded your correspondence on to both Senators from your home state. I hope they will be able to provide you with the answers you are seeking.

Sincerely,

Evan Bayh
United States Senator

U.S. SENATOR EVAN BAYH
